

Dear Rich,

In order to generate the PO as we discussed previously, the Employee Identification Number (EIN) of my company is **27-3094914**. All checks can be made payable to Devsign Consulting, LLC and can be mailed to the address at the bottom of this letter. Please let me know if you require any additional information to set up the payment system. Thanks and I look forward to continue working with MIT on this project!

Sincerely,

A handwritten signature in black ink, appearing to read "Wenhao Liu".
